EXES ON WHITE HOUSE—On left, reading down, are Republicans' favourites for the U.S. Presidency in 1940: Senator Vandenberg of Michigan, New York's District Attorney Dewey and Senator Taft of Ohio. On the right are President Roosevelt, Vice-President Garner and Secretary of State Hull, the Democratic favourites. In the latest straw vote, Roosevelt leads by a great majority, while the Democrats are far ahead of the Republicans in votes cast.

TUNGTING LAKE SCENE OF MAJOR BATTLE IN RENEWED OFFENSIVE

CHUNGKING, Sept. 24 (Reuter)—According to a Chinese report reaching here, a major battle is at present raging on the shores of Tungting Lake, where Japanese land, air and naval forces yesterday launched a combined offensive against Chinese lines in Northern Hunan. The Japanese are attempting to drive south to Changsha. As the Japanese land force launched an attack on Chinese positions on the north bank of the Sinsiang River, in the vicinity of the Canton-Hankow Railway, to the south of Yochow, other Japanese columns, escorted by warships and aircraft, attempted to go round the Chinese left flank via Tungting Lake.

One body of Japanese troops is reported to have landed on the south bank of the Sinsiang River to threaten the Chinese defenders there, while another body is claimed to have been landed in Ying-tien, to the north of Sinsiang, half way between the Chinese lines and Changsha.

Throughout the day, 13 Japanese aeroplanes are said to have bombed Chinese positions in the vicinity of the Sinsiang River at Ying-tien and Sinsiang. At the same time, a large number of Japanese aircraft have extensively bombed cities in north-western Hunan.

Nazi Plotters In Rumania Executed

BUCHAREST, Sept. 24 (Reuter)—Executions of members of the Iron Guard, pro-Nazi organization, in connection with the assassination of M. Calinescu, Prime Minister of Rumania, is now put at 350. Forty-four were shot yesterday in one concentration camp, and 32 others in another camp.

The men had been in the camps since last autumn, when they were arrested in the course of the nationwide round-up of pro-Nazi leaders by M. Calinescu.

GUNS POUND BELEAGUERED WARSAW: DEAD NUMBER THOUSAND A DAY

NO PEACE WITH NAZI REGIME IS LONDON REPLY TO IL DUCE

LONDON, Sept. 24 (Reuter)—Signor Mussolini's speech, in which he reaffirmed Italy's neutrality and suggested that the war should end with the defeat of Poland, is being studied with interest in London. It is stated here that, even if fighting on the Eastern Front ceases, there can be no peace with the present sworn German Government.

Siegfried Line Conditions Very Bad

PARIS, Sept. 24 (Reuter)—German prisoners captured by the French speak freely about the bad conditions in the Siegfried Line, stating that the health of the defenders were impaired by the recent cold damp weather.

Conditions in the small block-houses holding the Siegfried Line defenders are apparently very bad. There is no adequate provision for ventilation once the heavily armoured doors are closed.

In some cases, there is only enough room to fire, and when a prolonged attack prevents the men from going outside they have to sleep practically standing up.

At the same time the damp from outside penetrates into the line easily and drips down the walls.

Supplies of food have to be brought from outside, probably under fire. So during a prolonged attack with heavy artillery fire on communications, the men will be penned in damp, cold blockhouses without food, sleep or sufficient air.

ROME, Sept. 24 (Reuter)—Signor Mussolini reaffirmed Italy's attitude in the war, in a speech to Fascist leaders from Bologna yesterday.

Il Duce said Italy's stand was fixed on September 1 in the statement of the Cabinet, and there was no reason to change it.

Italy's stand, he said, met the national interests, and the desire of all peoples, including the German, to localise the conflict.

He recalled Hitler's telegram in which the latter stated he did not want Italian military help.

Il Duce claimed that the moment had arrived to call a halt to hostilities. The Polish dispute, he said, was ended, but Europe had not yet entered the war.

A clash may yet be avoided by the realisation of the desire to maintain, or, worse still, to reconstitute the position, which history and the natural dynamism of the peoples have condemned as a vain illusion, said Signor Mussolini.

When it was found necessary to change the Italian decision regarding taking no initiative in military operations, Il Duce said he would appear on the

COMMENT THAT IS BESIDE THE POINT

SHANGHAI, Sept. 23 (Reuter)—Commenting on the article referring to the Sino-Japanese peace rumours carried by a section of Hong-kong's foreign press ("Hong-kong Daily Press") and the remarks thereon concerning the reporting of these rumours by Reuters, the Agency's Shanghai office has issued the following statement:

"The only comment that Reuters have to make in this connection is to point out that rumours were prevalent in Shanghai that did affect the Shanghai exchange market and that, therefore, both cause and effect were items of news worthy of being reported."

The only comment the "Hong-kong Daily Press" has to make in connection with the above is that it is beside the point. We have no quarrel with Reuters when they record rumours, however absurd, that have gained attention elsewhere.

What we did object to was that, in the cases mentioned, the rumours were described as coming from "usually reliable sources" and there was no indication at all that Reuters had any doubt of their reliability as news. The despatches therefore lent weight to these canards.

Reuters have denied that their Shanghai office acted unwisely in this matter. We retain our previous opinion, and our readers can decide for themselves. The official denial from Chungking, which we print elsewhere on the front page, may help them to make up their minds.

Exiled German Scientist Passes

LONDON, Sept. 24 (Reuter)—The death occurred here to-day, at the age of 83, of Professor Sigmund Freud, discoverer of psychoanalysis, one of its greatest exponents.

He was one of the distinguished men the Nazis had no use for because he was a Jew. He fled last year from Austria to England, where he continued his researches.

SIGMUND FREUD

Born at Freiberg, Moravia, on May 8, 1856, Freud was educated in Vienna. After studying in Paris and elsewhere he was appointed Professor of Therapeutics or neurotic diseases at Vienna.

He made the discovery that many neurotic affections, such as hysteria, were due to a conflict between the conscious and the subconscious parts of the mind.

His chief works, which have been translated into English, are "Interpretation of Dreams," "Psychopathology of Everyday Life" and "Totem and Taboo."

It is estimated that more than 100 guns are concentrating fire on the capital. Despite the bombardment, many people ventured out to church this morning and a number were killed and wounded.

THERE HAVE BEEN A THOUSAND CASUALTIES IN THE LAST 24 HOURS BUT "OUR SPIRIT REMAINS UNBROKEN."

The Warsaw Radio also states that heavy shelling in the centre of the city destroyed three hospitals filled with wounded. The German attack on the right bank of the Vistula near the city has been repulsed and there is fierce fighting in Modlin.

Evidence of the strength of Polish resistance is given in a German communique which admits that Nazi forces have been forced to retreat from the suburbs of Warsaw after reconnaissance.

It is stated that the Commander of the German forces has been wounded.

Moslems Will Help Britain And France

LONDON, Sept. 24 (Reuter)—Emir Abdullah of Trans-Jordan, in a public speech yesterday, affirmed the firm support of his country for the Democracies and ended with a prayer for victory for the Allies.

He said: "Trans-Jordan stands with the Democracies in a struggle against aggression. Freedom must be supported, and we stand by the side of Britain and France to the end."

"Moslems all over the world must stand with the Democracies who began to undo the fetters of the East."

The Emir appealed to all Arabs to bury their feelings of malice and to follow in the footsteps of the right people. The speech was loudly applauded.

Neutrals who have been evacuated from Warsaw give graphic accounts of conditions in the Polish capital, states a Copenhagen message.

The dead, they say, are being buried in the public squares, while the population is suffering from typhoid and there is a shortage of food.

Important Decisions

KAUNAS, Sept. 24 (Reuter)—Important decisions are expected to be announced by the German Government about the middle of the week, according to a Berlin despatch, after which Hitler will probably go to the Western Front.

Chinese Dies After Mean Assault

A particularly mean and despicable assault committed by a Chinese on another in Wanchai on Friday resulted in the death of the victim in Queen Mary Hospital yesterday.

According to reliable information, Yau Kam-hoi, of No. 119 Lockhart Road, ground floor, was met on Friday evening at the corner of Jaffe and Luard Roads by a man to whom he owed 50 cents. The man demanded the return of the money.

Unable to pay, Yau was taken hold of by the ankles, lifted up perpendicularly with his head down and dashed upon the ground several times. The man then left his victim lying unconscious on the road.

Discovered early next morning by his brother, Yau was placed on a long rattan couch and lay by the roadside until he was removed to hospital, where he died at 11.10 a.m. yesterday. He was suffering from a fractured spine.

Police last night arrested a man named Yu Yai-pun, alias Tai Kap Lo (Strong Man), who is being held for questioning in connection with the crime.

BRITISH SEAMEN'S SPIRIT UNDAUNTED BY GERMAN SUBMARINE WARFARE

LONDON, Sept. 24 (Reuter)—The fine spirit of the British seamen in the face of Nazi submarine warfare is described in a letter from the Chaplain of the Seamen's Institute.

The padre writes: "So far as deterring men from going to sea, U-boat activities have had the opposite effect. After having been torpedoed once, the men's one desire is to get another ship. Their spirit is the same as in 1914."

HOPE GIVEN UP FOR ROYAL SCEPTRE

LONDON, Sept. 24 (Reuter)—Germany's use of submarines in flagrant contravention of her treaty obligations and undertakings has resulted in further loss of British merchant seamen.

The Ministry of Information states that it is feared that all hope must now be abandoned for the officers and crew of the steamer "Royal Sceptre," which on

Sept. 7 wireless that she was being machine-gunned by a U-boat.

The crew had abandoned the ship, which was sinking and it had been hoped that the crew might be picked up by fishing boats, but this hope must now be given up.

GOOD DIVIDENDS AND ENCOURAGING CASH SWEEP RETURNS AT THE VALLEY

LADY NORTHCOTE'S FINE SUCCESS ON H.K. TURF: DEVONIAN'S FINE WIN

Hongkong Jockey Club's 7th. Extra Race Meeting

Good dividends and encouraging cash sweep returns were the order of the day when, after a period of three months, the Hongkong Jockey Club resumed racing at the Valley on Saturday.

It was the Seventh Extra Race Meeting of the current season. The weather was good, the track in excellent condition, and a large crowd turned up to see some splendid racing under perfect conditions.

A feature of the day's events was Lady Northcote. First success on the Hongkong turf, when her Devonian ably ridden by Mr. Don Black, won the Vacluse Handicap in very good time, being only 2/5 sec. outside Strathroy's track record.

Three new jockeys made their first appearances at the Valley. They were Messrs M. F. L. Haymes, H. M. Botelho and R. Sleep. Mr. Haymes rode Zero to take second place in the Novices Handicap.

Mr. A. W. Raymond, with two wins, a second and a third, led the jockey's list. Mr. D. Black had two wins and a second, while Mr. H. J. A. Hearne had two wins and a third.

TWEED ISLAND BAY H'CAP (FIRST SECTION)

Expansion Time took the lead from a moderate start, but only for a second, as Eve of Heaven suddenly shot out of the bunch like a bullet and assuming the lead, drew away to win easily, never at any time being seriously challenged. Hectic View, prominent in the early stages appeared to lose wind from the Rock, and was beaten by her stablemate Humdrum Eve in the home run after a close fight. Jennifer, coming up strongly in the straight, snatched second place from Expansion Time who dropped back badly in the last furlong and was only able to finish fifth in a neck and neck tussle Humdrum Eve beat Hectic View for third place.

RACE FOUR

ISLAND BAY HANDICAP

A poor start saw Musketeer first in the lead closely followed by Galveston Bay. These two led the way up to the Rock where Musketeer seemed to weaken. The rest of the field began to close in on the leaders and from the home bend the race developed into a close and exciting affair. Rose Evelyn, who had been lying handy, came up strongly and went on to win a splendid race. Galveston Bay straining every sinew to keep Pinfarthings who came up with a big burst of

Haiphong-Hanoi Soccer Team Held To Draw In Last Two Games

The Haiphong-Hanoi football team yesterday completed a series of three football matches against Colony teams by playing a team drawn from non-Chinese football clubs in Hongkong to a 3-all draw. The visitors, from Indo-China, therefore, leave a record locally of no victories and no defeats, having in their earlier two matches drawn 4-all with Eastern and 2-all with a Combined Chinese team.

The Colony side entered the field with the advantage of weight, which the speed of the Haiphong team counteracted to some extent.

The visitors proved also to be strong kickers, and on this account managed to keep the ball for a good part of the game out of their territory.

Led by E. Fowler, who scored all three goals for the Colony side, the local forward line was not easily held when they gained possession of the ball, and the good work of Sammy Tsang between the sticks served Haiphong well.

Leonard, at inside-right, played a sound game, and Flanders at right wing and Strange gave good support. A. V. Gosano, however, was sorely missed. The full-backs cleared well though at times erratically.

The visitors fielded also a good forward line that falled more often than it succeeded in combining together. Thong, at centre-forward, and Hol, to his left, were outstanding, and received some support also from Huan at right-half.

The teams:
Haiphong: Sammy Tsang; Can, Binh; Huan, Thom, Thai; Loc, Tac, Thong, Hol and Vien.

Rest of the Colony: Duncan, Blackburn, Bone; Bell, Bright, Honnibal; Gardner, Leonard, F. Fowler, Strange and Flanders.

SATURDAY'S GAME
The Haiphong-Hanoi Soccer team was held to a 2-all draw by a Combined Chinese team on the Hongkong Club ground on Saturday. The visitors had the better of the game, and their failure to win may be attributed to the in-decision of the forwards in front of goal.

The Chinese side, consisting mainly of Eastern Athletic Association players, failed to combine well enough and were forced into a defensive game throughout part of the first half and most of the second half.

Tam Kwan-kon, in goal, brought off several fine saves, and it was due to his display between the posts and the weakness of the Haiphong players in front of goal that enabled the Combined Chinese to just stave off defeat.

The teams:
Chinese: Tam Kwan-kon; Chung Fai-lum, Chung Ying-kuen; Lau Ch'-chan, Yeung Tse-tsung, Hau King-seng; Wong Man-kwai, Cheung Kam-hoi, Lee Tak-kee, Cheuk Shek-kam and Hau King-to.

Haiphong: Tsang, Richardct, Binh; Huan, Thom, Thai; Khoo, Tack, Hol, Thong and Vien.

LO TAK KUEN CUP LEAGUE

The Lo Tak Kuen Cup League made further progress yesterday at the Southern Playground, Wanchai, when four matches were decided. Six matches were originally down for decision but two teams did not put in an appearance and therefore forfeited the point.

FAMOUS DOCTOR'S IDEAL REMEDY FOR STOMACH PAINS

"Bismarck Magnesia gives excellent results and is the ideal remedy for stomach pains and acidity. It is particularly recommended for Dyspepsia, Gastritis, Stomach Pain, Flatulence and even Stomach Ulcers."

H. Lehmann, Faculty of Medicine, Paris. If further proof were needed that stomach trouble is completely ended by "Bismarck Magnesia," there is the amazing evidence of the remarkable speed with which indigestion and stomach pains can be stopped which has been revealed by medical experiments and X-ray photographs of actual cases. These prove the ingredients of "Bismarck Magnesia" to be the quickest-acting and most effective known to medical science. Within 5 minutes a teaspoonful of "Bismarck Magnesia" in a little water produced complete relief in cases where numerous other remedies had failed entirely. "Bismarck Magnesia" is a complete treatment for the relief of stomach troubles—it neutralises the harmful acids that cause the trouble and it spreads a soothing, protective film over the stomach lining.

Get "Bismarck Magnesia" powder or tablets from your chemist or store today, but be sure to look for the "BISMARCK" sign if you want the quickest-acting stomach remedy doctors know.

CHECK TO
HITLER

THE ASSASSINATION of the Rumanian Prime Minister, M. Calinescu, put the spotlight once again on the Nazi tactics of first undermining internally the countries they wish to conquer.

THE ANSWER of the Bucharest Government was swift and decisive. The nine assassins of the Premier were shot immediately on the scene of their crime. Thousands of executions put an end, probably for good, to the activities of the German-financed "Iron Guard." Domestic Nazism in Rumania, like its Fascist counterparts elsewhere in Europe, was the spearhead of the advance of the Third Reich—in this case towards rich oil and wheat fields which it had long coveted. This spearhead has now been broken off.

HOW IS IT that Rumania, a small weak country which after the occupation of Prague gave docile assent to a Nazi-dictated trade treaty which placed all her resources at Hitler's disposal, has dared to strike back so dramatically at a German army and on the march?

A GLANCE at the map will give the answer. Germany has invaded Poland—but to the much desired oil of Rumania, her advance is barred. There is a new cordon stretching along the entire length of the former Polish-Rumanian frontier, and this cordon is manned by Soviet troops. Russia has given her word to respect Rumanian neutrality. This means that no hostile troops will advance upon that country through territory she holds. If Hitler wants to march on Rumania to-day he must go through Hungary or not at all. And to march through Hungary may mean that he will have another war on his hands.

THE FACT THAT, after the collapse of Polish resistance

in Galicia, Rumania did not find the Nazi colossus camped on her borders gave her assurance to deal with Hitler's agents as they deserved. The entire Balkan bloc may now be said to be in a similar position. The shadow of the Third Reich which once lay dark across Southeastern Europe from Budapest to the Black Sea is definitely lifting.

GERMANY'S APPEALS for peace, directly and through Signor Mussolini, show that she is by no means happy at the position which has been created. When she first envisaged the possibility of an armed struggle against the West, she certainly counted on the agricultural wealth of Poland and Southeastern Europe to help her to carry on a war of attrition—just as Polish, Rumanian and Ukrainian wheat were all at her disposal between the years 1915 and 1918. To-day, the Ukraine and the agricultural sections of Poland are in the hands of a neutral, temporarily well-disposed but strong enough to say "No" to Hitler at any time. No wonder that the Reich is trying to extricate itself from the struggle into which its leaders have plunged Europe.

BRITAIN AND FRANCE have declared their determination to crush the Brown regime, cut at the root of Nazi aggression, and liberate the Czech, Polish and German peoples from the yoke of Hitlerism. There is only one quick way they can do this—to take the initiative now, when the Nazis are afraid to take it, to smash the rumours of a quick peace with which Hitler keeps his people docile, and to spare nothing in the effort.

CHINA'S YOUNG
DOCTORS CALLEDNeed Far Exceeds
Available Supply

CHUNGKING, Sept. 18 (C. I. C.)—Graduates of all medical colleges registered with the Ministry of Education are required to enlist in government medical service. This year's number of fully trained students include 284 doctors and ten pharmacists. Half of the number will serve in base hospitals, while the other half will enlist in other government health work not connected with the army.

Graduates of army medical schools and training corps, who are at present occupied in other work, have also been ordered by the government to join the Army Medical Service. According to an investigation made by the authorities, about 281 are available for such service.

Government medical services are estimated to need more than 20,000 persons. More than 13,000 doctors, pharmacists and nurses are required for the military work alone.

Registered with the National Health Administration are 9,319 doctors, 618 pharmacists, 4,905 nurses, 2,279 assistant pharmacists, 286 dentists, and 3,894 midwives. The percentage of those registered who are in government service is not available, but the need of competent workers grows with the progress of the war.

GASOLINE
RATIONING
IN BRITAINTAXI-DRIVERS ARE
HARD HIT

LONDON, Sept. 24 (Reuters)—Among those hardest hit by the petrol rationing measures were the taxi-drivers who are to be confined to two gallons a day.

They say they will be unable to make a living and the Union is trying to obtain extra rations. While the taxis will be hit, it will mean more freight passengers for the railways, which are already extremely busy.

Many private car owners have filled up their tanks in the last few days and when they are empty the streets will see fewer owner-drivers.

TRAFFIC REDUCED

An earlier message stated that petrol rationing took effect at midnight on Saturday and that already there was a perceptible diminution in the amount of traffic on London streets.

The allowance to motorists, other than those entitled to supplementary supplies owing to their public duties or the special nature of their business, permits of a mileage of between the paramount needs of the Services and wide conservation of supplies rendering more severe restriction in the future unlikely, and to make savings in normal consumption essential.

The economy required of commercial transport is 25 per cent. of its estimate of normal peacetime consumption.

Nazi Charge
RefutedBRITISH BLOCKADE
NOT VIOLATION OF
INTERNATIONAL LAW

LONDON, Sept. 23 (Reuters)—The Ministry of Information has replied to Nazi charges that the British blockade is violating international law.

Neutrals, says the Ministry, have the right to trade with Germany, but equally Great Britain has the right to intercept contraband, even if it is passing through neutral countries.

FULLY EXERCISED

This right was fully exercised in the last war, and no belligerent can be expected to stand by and allow the enemy to import goods which will enable her to carry on the war.

Britain is ready to consider neutral needs for obtaining commodities from overseas.

HITLER LOSES
HIS COFFEE!British Contraband
Control

LONDON, Sept. 24 (Reuters)—The effect of the British blockade has now been brought home to Herr Hitler himself. British contraband control yesterday seized 20 bags of coffee amounting to over two tons which were consigned to Hitler from Arabia.

The German people have for some time been deprived of the real coffee. The consignment for Herr Hitler was despatched on Aug. 8 and it seems that even then the Nazi leader was preparing for a long war.

THE KING'S
THANKS

LONDON, Sept. 23 (Reuters)—The King has expressed his appreciation of messages of loyalty received from the Sultan of Zanzibar, the Federated Malay States and Kenya.

His Majesty has asked that his message be specially conveyed to the large Chinese community in Johore.

The King in a personal message to the Sultan of Zanzibar, recalled the help given by Zanzibar in the last war.

Among the latest messages of loyalty received in London is one from the Ashanti.

Hello & Goodbye

(BY A. W. HYER)

The Races and the opening of the Grippe's winter entertainment season were the two outstanding dates for the local public over the past week-end, but these social activities did not draw all the attention.

The wharves where several large commercial transports due to sail were thronged with goodbye wishers.

Imperial Airways

SUNDAY, 5 P.M., Captain Joe Davies put the R.M.A. Dorado down at Kai Tak. The weekly inward air mail, though now being carried at a higher rate, appears to be increasing in kilos compared with the past few services. Arriving yesterday from all Empire ports were 360 kilos of first class mail.

Mr. B. Herschend, connected with John Manners and Co., Ltd., returned from a business trip on the Sunday plane. This local resident evidently enjoyed the flight north.

Mr. O. Aoki, was the other passenger. By various stages, this gentleman has flown from Europe with a few stop-overs. His last visit of any length was in Singapore, where he embarked on the Imperial Airways' service for Hongkong. After a few days here, he will be departing again. The cause of his visit was the transportation of newsreels taken in London recently.

Steamer Traffic

OUT OF THE HARBOUR before the black-out the other night sailed one of the largest commercial liners on a call to Manila.

Mr. A. Sawamura was travelling south for the opening of the Japanese Tourist Bureau in Manila. This agency has a long list of branches in all parts of the world and provides travellers with travel information of a general nature, and it naturally specializes on Japan.

Mr. and Mrs. P. Polson, accompanied by their two youngsters, travelled down to Manila. Unfortunately, we did not meet the parents of the two younger members of the family, but from them it would seem that they were bound on one of the most wonderful adventures of a lifetime.

Returning to his home and offices in Manila was Mr. S. I. Cooke who has been business calling in our city. Mr. C. N. King held a ticket to Manila, but he must have decided to stay on here, because he was not about on the evening of sailing.

The sailing of the American steamer for the United States via Shanghai was a lively affair.

CHINA WAR NEWS: CHINESE BREAK THROUGH CANTON'S OUTER DEFENCE

YUNGKUN, KWANGTUNG, SEPT. 24 (Central). CHINESE FORCES HAVE SMASHED THROUGH THE JAPANESE OUTER DEFENCE LINES FOR CANTON AT SEVERAL POINTS. FIELD DISPATCHES STATE.

Fahsien, Pingkong, Kailow, Aotauhu and Fukwoku have been successfully recaptured by them in a series of counter-attacks. No fewer than 2,500 Japanese casualties were inflicted, and three prisoners were taken.

In addition, four field pieces, five trench mortars, nine heavy machine-guns, twelve light machine-guns, 285 rifles, five flags of the Rising Sun, and considerable ammunition were seized. Some 500 Chinese casualties were admitted.

The Chinese successes were attributed to the co-operation between the troops and the civilians. Armed peasants helped to disrupt the Japanese communication lines, destroy important bridges and attack convoy corps, while village folks, both men and women, assisted in Chinese military transport, first aid service and elimination of traitors and undesirable elements.

Kaoan Recaptured

SHANGHAI, KIANGSI, Sept. 24 (Central).—After a brief occupation by the Japanese, Kaoan, important town 40 miles south-west of Nanchang in Kiangsi was retaken by the Chinese yesterday morning.

Following the Japanese entry on Sept. 19, heavy Chinese reinforcements were rushed up and a general counter-offensive was launched on Thursday night. After a night-long battle, the Japanese were routed and fled in confusion, leaving large numbers of bodies and arms on the field.

Fighting in Progress

Remnant Japanese were intercepted north-east of Kaoan, where fighting is reported to be in progress.

The Chinese who recaptured Tschien near Kaoan on Wednesday have wrested back another town, Hsiehyu, in the east, and are reported to have established contact with their comrades advancing from Kaoan.

Meanwhile, on the southeastern Fengsin sector, north of Kaoan the Chinese have recaptured Nanchanho, Yuanchien, Chowchwang and other points.

In North Hunan

MILO, HUNAN, Sept. 24 (Central).—Fighting with their back to the stream, the Chinese on the north bank of the Sinsiang River in north Hunan have successfully repelled all Japanese attacks.

Japanese land batteries and guns aboard warships in the Tungting Lake have severely bombarded the Chinese lines.

Fight was particularly severe at Taoshelling (Straw Shoes Cliff), where some 500 Japanese casualties were inflicted on Sept. 21 alone.

Chinese Drive

SHIHING, KWANGTUNG, Sept. 24 (Central).—Chinese forces continue their drive on Kongmoon.

Touyuan near Kongmoon was regained by them on Wednesday morning. Some 400 Japanese casualties were inflicted in the engagement.

Two hundred Japanese wounded were conveyed back to Kongmoon and 300 dead were cremated at the foot of Tatim Hill outside Kongmoon on Tuesday.

Japanese Offensive

CHANGSE, Sept. 24 (Central).—A concerted attack was launched by Japanese land, naval and air forces in north Hunan yesterday.

Japanese troops on the north bank of the Sinsiang River made repeated attempts to cross the river but were repelled by the Chinese.

Meanwhile, Japanese bluejackets from war vessels in the Tungting Lake made persistent efforts to land at Luchuehshih, outside the mouth of the Sinsiang River about 15 miles south of Yoyang, and Yingtien, about ten miles north of Siangyin. Over thirty Japanese motor boats were sunk in the abortive landing at Luchuehshih.

Japanese aircraft actively bombarded Chinese positions to cover the land and naval drives.

In South Hopei

SOUTH HOPEI, Sept. 24 (Central).—Four hundred Japanese troops on their way from Hotsieh, southwest Shantung, to Kaitung in thirty trucks were attacked by the Chinese, near Tungming, at the southern tip of Hopei Province across the Shantung border, on Sept. 20.

Some 100 Japanese were killed and fifty wounded in the five-hour engagement which ensued.

FORMER SOVIET OFFICIAL DIES MYSTERIOUSLY

PARIS, Sept. 24 (Reuter).—M. Raskolnikov, former Soviet Minister to Bulgaria, is reported to have died in a nursing home in Nice in mysterious circumstances, according to "L'Intransigeant."

M. Raskolnikov was relieved of his post as Minister for Bulgaria in April 1938 and was declared an outlaw by the U.S.S.R. Supreme Court on the ground that he "joined the camp of the enemies of the people."

NEUTRALITY POLL IN U.S. SENATE

GOOD SUPPORT FOR ROOSEVELT

WASHINGTON, Sept. 24 (Reuter).—The latest poll on Senatorial opinion on neutrality, shows that approximately 35 Senators oppose the repeal of the arms embargo, the majority of the remaining 61 support President Roosevelt, but between ten to fifteen are not committed either way.

Mr. Roosevelt's supporters remain confident of ultimate success, though they foresee a month or six months stormy debating and Parliamentary manoeuvring before the isolationists are defeated.

Nazi Planes Over Neutral Territory

ONE FORCED DOWN OFF SWEDEN

BRUSSELS, Sept. 24 (Reuter).—Belgian newspapers to-day report that a Nazi military plane flew over Malmédy and was followed later by a squadron of 18 machines.

Malmédy is a district ceded to Belgium by Germany after the Great War.

Steps have been taken to make the Belgian frontier quite clear from the air. At night all towns and villages will be lighted as usual. During the day a large letter "B" in white is placed on the ground at intervals between the frontier and the nearest town.

FORCED DOWN

STOCKHOLM, Sept. 23 (Reuter).—A German military plane was forced down in Swedish territorial waters to-day owing to engine trouble.

The plane was taken in tow by a Swedish destroyer and will be interned.

BELGIAN ORDERS

BRUSSELS, Sept. 24 (Reuter).—In the instructions regarding the marking of a Belgian frontier State at night, all Belgian townships and hamlets must maintain their usual lighting so as to be clearly visible from the air, and particularly the frontier regions. During the day, the signal will be clearly visible from the air in the form of the letter "B" which will be placed on the ground between the town or hamlet concerned and the nearest frontier.

JAPAN'S ANTI-BRITISH DRIVE TURNS AGAINST MISSIONARIES

PEIPING, SEPT. 24 (REUTER).—THE DRIVE AGAINST BRITISH MISSIONARIES IN NORTH CHINA CONTINUES.

Another group of missionaries belonging to the United Church of Canada, have arrived from North Hunan, as well as the Chinese Inland Mission representative from Hantan, on the railway near the South Hopei border.

CHINESE INTENSIFYING ATTACK IN SHANSI

LOYANG, Sept. 24 (Central).—In southeast Shansi, the Chinese are intensifying their encircling attack on Changchih, Changzue and Hukwan. Large contingents of Japanese reinforcements have been called in to defend the cities, the loss of which would mean Japan's loosening of her grip on that part of Shansi.

On the night of Sept. 17 Chinese "dare-to-die" corps once again broke into Hukwan. Bloody street fighting raged for hours with considerable losses on both sides.

NAZI ARMY OFFICER IS KILLED

COLONEL - GENERAL VON FRITSCH FALLS FIGHTING

LONDON, Sept. 23 (Reuter).—One of the leading officers in the German Army, Colonel-General von Fritsch, was killed in action yesterday in fighting on the Warsaw Front.

This is announced in an official communique issued from Hitler's Headquarters.

FELL FIGHTING

The communique states that Col-General von Fritsch fell in fighting at Warsaw and will be buried with full military honours. The General was 59 years of age.

Some 41 years ago, he entered the Army in the Field Artillery.

MILITARY CAREER

During the Great War he was a General Staff Officer with the Fourth Army, and after the War rose to the rank of Lieutenant-General.

He was made Commander-in-Chief of the Reichswehr in February 1934, was promoted to Col-General two years later, and remained as C-in-C until February, 1938, when spectacular changes, otherwise known as a "purge," were made in the higher command of the German Army.

He was rehabilitated in June of last year and given command of an Artillery Regiment in recognition of his services to the Army.

Severe Quake In Turkey

200 KILLED: 5,000 HOMELESS

SMYRNA, Sept. 23 (Reuter).—Over 200 were killed and several hundred injured in yesterday morning's quake in the Smyrna district.

About 1,000 shops, houses and stores were wrecked, and 5,000 people are without shelter. Intermittent shocks continue.

LASTED 10 SECONDS

ANKARA, Sept. 23 (Reuter).—The casualties in the extremely violent earthquake in Smyrna yesterday are larger than at first reported.

The quake, which was recorded at Athens Observatory, lasted 10 seconds.

The Island of Mitilene was rocked and houses collapsed.

CARE OF HOMELESS

ANKARA, Sept. 24 (Reuter).—The Turkish Government has set aside large sums for the care of those who are homeless or injured in the Smyrna earthquake.

OVER 5,000 CHINESE GAIN ENTRANCE TO COLLEGES

CHUNGKING, Sept. 24 (Central).—A total of 5,085 students passed the entrance examinations of Chinese government colleges and universities recently held by an admission committee appointed by the Ministry of Education.

They were chosen from among 21,283 students who took the examinations given simultaneously in 13 cities in Free China, and they will be distributed between 24 government colleges and universities.

Among them, 1,783 will specialise in arts, law, commerce and other similar courses, 2,879 in science and engineering, and 623 in agriculture and medicine.

"AUSSIES" GOING OVER AGAIN

EXPEDITIONARY FORCE

LONDON, Sept. 24 (Reuter).—A message from Canberra says that the Australian Government has decided to send an expeditionary force overseas. The force will include other detachments, besides the four bomber and two fighter squadrons already promised.

Arrangements are also being made to form, from the militia, a special force of one division, with auxiliary units for home or overseas service.

New militia garrison battalions will be formed from the Army Reserve.

In addition, the Royal Australian Navy has been fully commissioned.

Once again the British public expresses deep gratitude for this magnificent offer of help.

sunk early this morning by a German submarine.

The ship, which was carrying a cargo of wood pulp, was stopped off the south coast of Norway.

The U-boat ordered the ship nearer the coast, so that the crew could reach shore safely, and then placed dynamite in the hold.

The ship sank in a few minutes. The crew of 24 landed in Norway in two boats.

ANOTHER SINKING

STOCKHOLM, Sept. 24 (Reuter).—The Finnish steamer, Walma, was attacked and sunk by two German submarines a few miles south-west of Hällo lighthouse, off the west coast of Sweden. The crew of 18 were rescued.

FINNISH PROTEST

BERLIN, Sept. 24 (Reuter).—The Finnish Minister in Berlin has protested against the sinking yesterday of Finnish ships by German submarines.

PATROL BOAT STRIKES MINE

LONDON, Sept. 23 (Reuter).—It was officially announced to-day that H. M. S. Kittiwake, a patrol boat of 500 tons, struck a mine in the Channel on Wednesday.

Five of the crew were killed and two injured.

The vessel has returned to port for repairs, and the injured men are now in hospital.

SUBS OFF MEXICO

MEXICO CITY, Sept. 24 (Reuter).—For the second time two unknown submarines were reported last night in the Gulf of Mexico, just outside the three-mile limit of the State of Vera Cruz.

One was reported to be sighted off the port of Vera Cruz, off Puerto Mexico, which was the only sea exit of the enormous oil production of the Isthmus of Tehuantepec.

BRITAIN'S PURPOSE

LONDON, Sept. 23 (Reuter).—While there is no official comment yet on Signor Mussolini's speech, Mr. Neville Chamberlain's words on Wednesday are recalled.

Mr. Chamberlain on that occasion stated, inter alia, that our purpose was to redeem Europe from the perpetual and recurring fear of German aggression, and that no threats would deter us from that purpose.

INTERESTING INDICATION

LONDON, Sept. 23 (Reuter).—An interesting indication of Italian policy was given over the Rome Radio to-day, with the reading of extracts from the "Popolo d'Italia," with which Signor Mussolini has close associations.

The article declares: "Collaboration between Germany and Italy will continue in future and this can be taken into consideration in determining our policy."

PRES. MOSCICKI INTERRED IN RUMANIA

GUNS POUND WARSAW

Continued From Page 1

Earlier dispatches from Paris stated that Herr Hitler had joined General von Brauchitsch, the German Commander-in-Chief, on the Western Front and that his arrival coincided with renewal of German counter-attacks. The report was confirmed.

It is added that the German military mission which went to Moscow to demarcate the zones to be occupied in Poland is remaining there for further military negotiations.

WESTERN FRONT ACTIVITY

PARIS, Sept. 24 (Reuter).—It is reported that the presence of Herr Hitler and Gen. von Brauchitsch coincided with a marked renewal in activity.

Over the whole front, especially in the vast zones between the Saar and Rhine, a number of local actions have begun. These included the activities of German patrols in a greater force than usual and unusually heavy artillery bombardments of French positions.

At one point a regular attack was made not by a company, as on previous occasions, but by a whole battalion attacking in waves.

The attack, it is stated, showed considerable tenacity, but failed completely before the French defence. As each successive wave of German troops began to advance, it was met by withering fire from big French guns and machine-guns.

Each wave was checked at the outset and as one account put it, it was "nalled to the ground."

VIOLENT STREET FIGHTING

LONDON, Sept. 24 (Reuter).—A Nazi communique announces further withdrawals of German troops from Poland in the face of the Soviet advance, though it is careful to emphasise that there is no Soviet pressure on Germany.

A Nazi news agency reports violent street fighting in Grodno, between Polish and Soviet troops.

LICENCES FOR EXPORTS

SIMLA, Sept. 24 (Reuter).—In order to preserve supplies and to prevent essentials from reaching the enemy through neutral countries, the Government is shortly instituting a licensing system for exports to non-British destinations.

It is understood that licences will be granted freely for goods to all countries in America, almost the whole of Asia, including China and Japan, and also to Egypt.

Licences for exports to neutral countries will be issued to the limit of normal exports to these countries. The list of key commodities controlled under this system includes raw and manufactured cotton, wool, hides, skins, mica, raw rubber, manganese ore, castor oil, coconut oil, oil seeds and oil cakes.

Truth Told Germans By Patriots

LONDON, Sept. 24 (Reuter).—The German Freedom Party has made a broadcast to the German people stating that Germany's unrestricted submarine warfare could never succeed, although Dr. Goebbels, Reich Propaganda Minister, tried to make a dreadnought out of every fishing boat sunk.

The Nazi Government is blinding the people into pretending that they can starve out Britain.

Addressing the soldiers in the trenches, the announcer said: "Fight with us against the Gestapo. Talk to comrades in the trenches. They will fight with us against the Government. Tell your comrades how their families live at home, set against Hitler's war aims and the German people's peace aims."

"Down with Hitler!" said the announcer at the conclusion of the broadcast.

CHURCHILL'S "ATROCITIES"

LONDON, Sept. 24 (Reuter).—This is a brief review of continental radio programmes this week.

German stations are trying to give poor Mr. Winston Churchill a bad name. They accuse him of being the author of atrocities.

The German announcer from the Polish station said that two Poles with their pockets full of bombs had been arrested at the famous monastery of Cheshnoko. They had been hired by "an English speaking man" to bomb churches, it was stated.

This, the announcer said, was a good example of the atrocities of Mr. Churchill.

It is alleged that the Polish prisoners brought before the microphone say that they had been deceived by their leaders, that Britain and France have betrayed them and that the "kind" Germans are giving them "plenty of bread and jam."

Moscow has been broadcasting "atrocity stories" reminiscent of those sent out from German radio stations.

Finally, it alleged that an Indian Nationalist leader came to the microphone and said that the British Empire was about to break up because of the Nationalist struggle in India.

The Indian Nationalist spoke with a strong Prussian accent.

ESTHONIA & SOVIET

TALLIN, Sept. 24 (Reuter).—The Estonian Foreign Minister is making a visit to Moscow.

One report says he will negotiate a new commercial treaty with the Soviet, but it is also suggested in Moscow that he is visiting the Soviet capital in connection with the Soviet allegations that Estonia has connived at the recent escape of the interned Polish submarine.

CIVIL AIR GUARD MEMBERS

LONDON, Sept. 24 (Reuter).—The first batch of Civil Air Guard members have been warned to hold themselves in readiness for an interview with the authorities in view of their possible admittance into the Royal Air Force.

This batch includes men up to the age of 28 who have passed and are in possession of the "A" licence.

PEIPING FOOD PRICES SOAR

CHUNGKING, Sept. 24 (Central).—Owing to shortage prices of foodstuffs in Peiping continue to rise, according to a Tientsin message.

Flour is sold at between \$12 and \$14.50 per sack, while rice costs as much as \$44 per picul.

Sterling Has Steady Day

FRANC CLIMBS TO NEW LEVEL

NEW YORK, Sept. 24 (Reuter).—While sterling experienced a very steady day around four dollars, interest shifted to the franc which climbed up above the 2.28 level.

There was no further heaviness displayed by the lira, however. The belga reached a new low since the outbreak of war, while Scandinavians and the guilders were weak.

TRADE REGULATIONS

Meanwhile it is reported that dealers in foreign exchange are rapidly becoming accustomed to operation under a mass of regulations governing foreign trade and exchange, particularly those controlled by the London market.

The foreign exchange committee is systematically collecting and distributing to the banks, the official regulations issued by Britain.

SHARE MARKET REVIEW

HONGKONG SHAREBROKERS' ASSOCIATION

Hongkong, Sept. 23.

The market has been very quiet and the daily volume of business has continued to dwindle throughout the week. At the close of business to-day trading, except for a few desultory sales, is almost at a standstill. Holders, finding difficulty in disposing of shares, were content to wait for better prices rather than to accept low bids.

H.K. Bank shares were wanted at \$1200 without attracting sellers. Hotels could be obtained at \$4.80 after changing hands at \$4.80. Electrics were obtainable at \$50 and Lands at \$31. There was some enquiry for H.K. Docks and shares changed hands between \$17 and \$18.50. There has also been enquiry for Kowloon Buses with business reported at \$13. Providents had sales at \$4.20 and Ropes at \$4.60.

Gold mining stocks, in spite of announcements of usual dividends, continue to sag through lack of interest. Owing to the enforcement of currency regulations trading in gold mining stocks has practically ceased on the local market. The only sales reported being Antamoks at 15 1/2 cts. Balatons have announced a dividend of 25 cts for the third quarter and Benguet Consolidated 50 cts for the same period.

H. K. STOCK EXCHANGE

A customary Saturday session has to be again recorded, the market being neglected.

MONEY MARKET: SHORT TERM ACCOMMODATION

LONDON, Sept. 24 (Reuter).—Supplies of credit remained ample for all borrowers requirements throughout the week with outside quarters charging no more than 2 1/2 cent for short term accommodation.

Yesterday's Treasury tender was notable for the decline in the average rate to round 3-5/16 per cent, which was attributed to the keen desire on the part of the market to acquire a large allotment of valuable December bills.

Wall Street closed irregular.

ELECTRIC TORCH MANUFACTURE HARD HIT

The local manufacture of electric torches has been seriously affected by the European war, which rendered the purchasing of materials difficult and, as a result, many girl and women workers are being thrown out of employment.

Other reasons for this position are decreased demands and the fact that many factories have not only reduced their staff, but are reducing their hours of working.

NO MORE UNDER STAIRCASE "SHOPS"

It is learned that a warning has been issued to all shopkeepers who carry on business under staircases on "ground" floors to shift to proper and suitable premises.

This warning was issued last week and action will be taken against those who disregard it. Following the large influx of refugees into the Colony from Canton, many of these shops started and spread throughout the Colony.

COTTON: To-day's was a session of quiet trading and, though some support was noticed from the Trade, prices eased slightly. Uncertainties with regard to Washington and European developments are keeping many traders on the side-lines.

RUBBER: In a featureless market, prices moved downwards on lack of support and on free offerings from the primary markets.

WHEAT: The easiness of the Winnipeg market and a poor demand for export, together with reports of peace moves in Europe caused an easier feeling here and the market was dull and lethargic in the absence of any stimulating influences.

NEW YORK STOCKS: Previous close, 152.57; To-day's close, 152.99; Change, Up 42.
